

Anti-bullying week.

Dear Parents/carers

Anti-Bullying Week is an annual event set up by the Anti-Bullying Alliance to give people all over the country a chance to think about bullying and help come up with new ideas on how to prevent it, this year it begins on 18th November.

Please join us in our mission to 'Band Together' for Anti-Bullying Week and raising money for thousands of young people who have suffered from bullying.

To re-inforce and complete anti-bullying week we will be supporting "**BLUE FRIDAY**".

In exchange for a **£1 donation or £2 per family**, we would like children to come to school **dressed in blue on Friday 22nd November**.

This can just be wearing jeans / t-shirt or something small, ie. ribbons or badges. We also have **wristbands for purchase** in the school office area. All students and staff can band together in solidarity throughout Anti-Bullying Week by purchasing and wearing our wristbands. It's a simple yet very effective way to raise money for *Beat Bullying* and to support us to make bullying unacceptable.

Children in need.

Children in need is the BBC's UK corporate charity, they provide grants to projects in the UK which focus on children and young people who are disadvantaged, empowering children and extending their life choices.

This year to support the fundraising for Children in Need, we would like children to come to school wearing something spotty on **Friday 22nd November** for a donation of £1 towards this charity or £2 per family.

Please note **both** fundraising days fall on **Friday 22nd November** so the children can choose to wear something blue or spotty (or even both!) and **pay only once**.

At Applegarth Academy we believe that this will enable our pupils to learn new skills, forge positive relationships in the community and understand the great difference that they can make.

Many Thanks for your continued support

Miss Rose

RRSA Leader.
