## Our Mission

### **“Working Together, we will achieve”**

At Applegarth Academy we strive together to achieve excellence in all we do. Collaboratively, we work with all stakeholders to maximise the opportunities we give our children, so that they can reach their full potential and develop a belief that they can and will succeed.

‘Working together, we will achieve.’

## Our Aims

### ***At Applegarth Academy, we aim to:***

- Instill aspiration in everyone so that they reach their full potential and strive beyond;
- Work collaboratively within our lessons, fostering a team approach to encourage and develop social and language skills;
- Utilise our strengths and build on these by sharing our experiences and strengths with each other;
- Be passionate about learning and develop a positive image of themselves as learners;
- Be encouraged to maximise every learning opportunity, within and beyond the classroom;
- spread positivity to all those around them;
- Foster resilience by creating a safe environment for all members of our community through building self- esteem and developing a supportive culture where asking for help and never giving up are valued.
- Promote and build on the strengths and experiences across the wider STEP Trust, forging stronger links and build capacity for all staffs future development;
- Be aspirational and achieve the highest possible standards across the curriculum;
- Develop a sense of responsibility and be committed to improving and progressing through learning.

## 2017-2018 STEP Compass Priorities

### STEP First

- Through effective internal and external communications, ensure STEP's mission, vision and values are clearly understood by all stakeholders, and that the revised STEP Compass is consistently applied across the Trust.
- Strengthen strategic planning so that individual Academy Improvement Plans can only be delivered through support from the Trust and the STEP Compass can only be delivered through the Academies.

### STEP Way

- Clearly articulate the pedagogy that underpins STEP's approach to teaching and learning.
- Strengthen assessment and quality assurance systems to improve consistency and raise standards

### **STEP Up**

- Establish a systematic programme of school-to-school support, the Matrix Model, co-ordinated by the Executive Team, which is focused on the needs of individual Academies.
- Build STEP's central teaching and learning support offer, including a more strategic approach to staff development, particularly leadership.

### **STEP Ahead**

- Build the Trust's capacity in preparation for STEP's next stage of development, particularly secondary.
- Play a leading role in the development of local, regional and national educational networks beyond STEP Academy Trust.

## **Identified Long Term Priorities: September 2015 – July 2018**

Our long term priorities relate to the Ofsted framework, and provide highly challenging targets to be reached within three years. The over-arching aim is to ensure that Applegarth Academy is outstanding in all areas by June 2018.

### **Priority 1 – Quality of Teaching and Learning**

- To raise the quality of teaching and learning throughout the Academy, so that it is consistently good or outstanding in every year group.

### **Priority 2 – Progress and Attainment**

- To ensure that 100% of children achieve age-related expectations at the end of Key Stage 2.
- To ensure that 100% of children make good or accelerated progress each year and not just at the end of each key stage.

### **Priority 3 – Leadership & Management**

- To ensure leadership and management are outstanding within the next Ofsted inspection.
- To ensure that there is a sustainable model of leadership development and succession.

### **Priority 4 – Development of the Curriculum**

- To ensure the academy curriculum enables children to further develop their strengths and skills in all areas of the curriculum.
- To achieve Inclusion Mark & Sports School Awards.

### **Priority 5 – Premises**

- To further develop the school building and grounds in order to provide the best possible learning opportunities for the school community.

### **Priority 6 – Pupil Numbers**

- To build the reputation of the academy, so that pupil numbers rise nearer to the academy's capacity.

## Summary of identified priorities for the Academic year 2016 – 2017

We have ensured that the improvement priorities:

- reflected the aims of the Academy;
- related to the areas for improvement from the previous inspection;
- were based on a range of evidence;
- considered both national and local initiatives;
- clearly stated the outcomes we wanted for our students and wider school community.

### Key Priority One: Quality of Teaching and Learning

1.1 To ensure that all teaching is at least 100% good or better.

1.2 To ensure that a consistent, collaborative approach to learning continues to be a strength of the academy.

### Key Priority Two: Progress and Attainment

To ensure that the end of each key stage performance is at least at national averages in all areas, in reading, writing and maths.

### Key Priority Three: Leadership and Management

3.1. Strengthen Leadership, clarifying and modifying the roles to ensure identified priorities are effectively led.

3.2. Ensure high quality Governance through implementing the new STEP model.

### Key Priority Four: Assessment for & of Learning

4.1 To ensure that all assessment practices have a direct impact on the personalisation of learning and as a result ensure at least expected progress for all children.

4.2 To develop a joint assessment protocol between Wolsey Junior Academy and Applegarth Academy.

### Key Priority Five: Curriculum

Continue to enhance and develop the curriculum for English, Maths and the wider curriculum, so that accelerated progress and success is seen at each stage of learning.

## Summary of identified priorities for the Academic year 2017 – 2018

We have ensured that the improvement priorities:

- reflected the aims of the Academy;
- related to the areas for improvement from the previous inspection;
- were based on a range of evidence;
- considered both national and local initiatives;
- clearly stated the outcomes we wanted for our students and wider school community.

### Key Priority One: Quality of Teaching and Learning

1.1 Ensure that all lessons develop a depth of language and continue to raise the expectation of speaking

1.2 Ensure that skills are applied and transferred in different contexts across the curriculum

### Key Priority Two: Outcomes

2.1 Further develop and raise the attainment of SEND pupils in writing

2.2 Increase the % of children achieving greater depth in all subjects, so that combined increases

2.3 Target and further develop provision for children to be exceeding at the end of Reception in Reading, Writing & Maths

### Key Priority Three: Leadership and Management

3.1 Coach and develop all leaders new to their roles so that impact in every area is outstanding

3.2 Further offer of school to school support as a National Support School

3.3 Develop further outward facing leadership CPD opportunities

### Key Priority Four: Behaviour, Personal Development, Welfare & Safety

- 4.1 Further promote and enhance learning behaviours throughout the academy at all times, so that children begin to lead their own learning further **#ASPIRE**
- 4.2 Further reduce the persistent absenteeism to below 5%

### Key Priority Five: Curriculum

- 5.1 Further develop and enhance the EYFS outdoor provision
- 5.2 Further enhance and develop the curriculum to include global citizenship throughout the reformed curriculum offer

**Please note that the AIP is reflected on through our Risk Report Cycle. Please read the Risk Reports alongside the AIP**

Combined KS2 – Expected +		87%			National Combined '17		61%	
Combined KS2 Greater Depth		22%			National GD Combined '17		5% (2016)	

### Key Priority One: Quality of Teaching and Learning

1.1 Ensure that all lessons develop a depth of language and continue to raise the expectation of speaking

1.2 Ensure that skills are applied and transferred in different contexts across the curriculum

#### **1.1 Ensure that all lessons develop a depth of language and continue to raise the expectation of speaking**

**Rationale** - To ensure that high quality teaching is being delivered so that pupils are learning and acquiring knowledge and vocabulary to use as tools as independent and lifelong learners.

**The following aspects will form the core of the action plan:**

- a) All teachers have high expectations of what pupils can achieve.
- b) To ensure high quality of marking and feedback supports children in their next steps, consolidating their knowledge and vocabulary skills.
- c) High quality use of vocabulary is used throughout the lessons.
- d) Vocabulary is reinforced throughout the lesson
- e) Collaborative learning approach is consistent throughout the school and promotes a high level of pupil participation

## 1.2 Ensure that skills are applied and transferred in different contexts across the curriculum

**Rationale** - To ensure that children gain a deeper understanding with more opportunities to work at greater depth

**The following aspects will form the core of the action plan:**

- a) All teachers have high expectations of what pupils can achieve.
- b) CPD opportunities to explore greater depth opportunities across the academy
- c) Ensure that every lesson has opportunities for pupils to consolidate their learning through explaining their ideas
- d) Teachers understand the term greater depth and know what this means for learning across their classroom.

## Key Priority Two: Outcomes

2.1 Further develop and raise the attainment of SEND pupils in writing

2.2 Increase the % of children achieving greater depth in all subjects, so that combined increases

2.3 Target and further develop provision for children to be exceeding at the end of Reception in Reading, Writing and Maths

### 2.1 Further develop and raise the attainment of SEND pupils in writing

**Rationale:** Progress in writing of SEND pupils is accelerated. It is essential that we ensure that attainment of SEND pupils in writing is a focal point to avoid any wider gaps developing as pupils progress throughout the years.

### 2.2 Increase the % of children achieving greater depth in all subjects, so that combined increases

**Rationale:** To ensure we give our pupils more opportunities to work at greater depth across the curriculum. Although prior attainment shows that progress and attainment at a greater depth level in English (Reading, Writing and SPaG) is in line or above national standards, we now need to ensure that this is consistent in Maths.

### 2.3 Target and further develop provision for children to be exceeding at the end of Reception in Reading, Writing & Maths

**Rationale:** Children in Reception are now performing above the national average. Our next steps is to further cement this whilst also further developing and enhancing provision for our most able. This will also enable our children to further be KS1 ready.

#### **The following aspects will form the core of the action plan:**

Rationale - The quality of teaching in English & Mathematics provides children with essential life skills. Accelerated progress at each stage of their development is needed to prepare our children for the future.

#### **Maths:**

- a. Develop further the maths mastery approach across the school
- b. Ensure that questioning promotes greater depth learning
- c. Ensure that the calculation lessons and strategy is implemented consistently across the school
- d. Assessment led planning focussing on pupil skills and experiences
- e. Opportunities to develop mathematical understanding in different subjects and to apply skills to meaningful real-life problems'
- f. Develop pupils understanding of how to use practical resources to support their learning
- g. Ensure that writing opportunities are also planned and delivered as part of maths learning
- h. Build in regular opportunities for oracy and language development across lessons.

#### **English:**

- a. Ensure that Success For All continues to develop outstanding learning opportunities,
- b. Carefully monitor and track all pupils, including SEND writing, to ensure good progress is being made
- c. Writing across the curriculum in Discovery lessons is dedicated to the development of writing and grammar.
- d. Writing tasks are moderated throughout the year both internally and externally (at least 5 times).
- e. To implement successful spelling and Grammar programme across the whole school.
- f. To develop and implement a handwriting scheme and expectation across the school that demonstrates impact in pupil presentation.
- g. To develop an enhanced reading support programme across the school so that there is consistency, enjoyment and challenge for children – also involving tuition for children in need as part of success for all.

### Key Priority Three: Leadership and Management

3.1 Coach and develop all leaders new to their roles so that impact in every area is outstanding

3.2 Further offer of school to school support as a National Support School

### 3.3 Develop further outward facing leadership CPD opportunities

#### 3.1 Coach and develop all leaders new to their roles so that impact in every area is outstanding

**Rationale** - Strategic leadership is essential in monitoring and developing the teaching profile and consequently the progress of the children. Clear roles and development of leaders will ensure good succession planning for the academy.

**The following aspects will form the core of the action plan:**

- a) Continue to develop the detailed annual monitoring schedule which is distributed to all leaders – this is our risk assessment cycle (see additional model for details in final page)
- b) Further develop the new leadership team, particularly middle leaders, so that their roles and delivery are fit for purpose.
- c) Clear roles and responsibilities for all leaders so that the strategic and operational duties are outlined and the systems are in place for succession planning
- d) Regular and effective reviewing of assessment data to ensure that all leaders are clear of their roles and impact.
- e) Performance management for all staff to take place, linked to school targets – this will be measured against a specific set of performance criteria.

#### 3.2. Further offer of school to school support as a National Support School

**Rationale** – To establish good relationships whilst working with other leaders in other settings to ensure good practice is shared and we develop a culture where we work with and learn from a variety of schools, inside and out of the Trust. This will allow us all to continually strive for excellence whilst also reflecting on the provision we have in our academy.

**The following aspects will form the core of the action plan:**

- a) Ensure that good practice is shared across schools
- b) Purposeful and planned visits take place which are linked to the AIP.
- c) Learn from others and develop further portfolios of best practice.
- d) Enhance enhance the leadership of leaders within the academy through applying skills in different contexts.

#### 3.3. Develop further outward facing leadership CPD opportunities

**Rationale** – To share good practice and systems and to challenge themselves in different circumstances.

**The following aspects will form the core of the action plan:**

- a) Senior leaders working with EHT to address current need in the school

- b) To demonstrate systemic development through visits to other academies to share good practice and to identify examples of good practice which can then be implemented within the school which promote good progress and attainment for pupils
- c) Regular meetings with other senior leaders – developing a fully reflective culture of leadership.

#### **Key Priority Four: Behaviour, personal Development, Welfare and Safety**

**4.1** Further promote and enhance learning behaviours throughout the academy at all times, so that children begin to lead their own learning further **#ASPIRE**

**4.2** Further reduce the persistent absenteeism to below 5%

**4.1 Further promote and enhance learning behaviours throughout the academy at all times, so that children begin to lead their own learning further #ASPIRE**

**Rationale** - To ensure that pupils are given opportunities to become independent learners to instill a love of learning and resilience, preparing them for secondary school and later life.

**The following aspects will form the core of the action plan:**

- a) Ensure behaviour for learning strategies are embedded across the academy
- b) To implement systems so that pupils know their next steps are aware of their learning journey
- c) The use of Ambassadors to promote independent thinking and confidence in learning
- d) To use Philosophy for Children has a vehicle to encourage discussion and deeper thinking

**4.2 Further reduce the persistent absenteeism to below 5%**

**Rationale** - To ensure all pupils receive the best possible education by maximising their time in school.

**The following aspects will form the core of the action plan:**

- a) Regular meetings with EWO and School Attendance officer
- b) SAO and EWO to meet regularly with families with persistent absenteeism
- c) Continue to promote attendance across the academy through assemblies, newsletters and class doors
- d) Inclusion team to ensure that all actions are addressed and dealt with swiftly

## Key Priority Five: Curriculum

5.1 Further develop and enhance the EYFS outdoor provision

5.2 Further enhance and develop the curriculum to include global citizenship throughout the reformed curriculum offer

### 5.1 Further develop and enhance the EYFS outdoor provision

**Rationale** - To enhance the learning opportunities and experiences of pupils in the Early Years through the promotion of creative play.

**The following aspects will form the core of the action plan:**

- a) Ensure that the new building works starting in Autumn term are in line with vision of the outdoor area
- b) Ensure that learning opportunities between indoor and outdoor provision are aligned

### 5.2 Further enhance and develop the curriculum to include global citizenship throughout the reformed curriculum offer

**Rationale** - Ensuring our wider curriculum allows children to practice core skills, whilst also developing their creativity, imagination, knowledge and energy.

**The following aspects will form the core of the action plan:**

- c) Further enhance and develop the embedding of RRS principles through assemblies and teaching, particularly through Philosophy for Children.
- d) Further develop and enhance the ICT/Computing curriculum, through ensuring that expectations and consistency in delivery are clear.
- e) Further develop and enhance the Discovery curriculum through ensuring that there is clear coverage of the new national curriculum.
- f) Ensure that pupils are able to apply their skills throughout the Discover topics
- g) Continue to embed Success for All for English across the academy
- h) Continue to embed the calculations strategy for the academy, with particular focus on applying skills in different contexts to promote greater depth of understanding
- i) Introduce Music and an enhanced Sports provision across the academy from September.

### Key Priority One: Quality of Teaching and Learning

1.1 Ensure that all lessons develop a depth of language and continue to raise the expectation of speaking

1.2 Ensure that skills are applied and transferred in different contexts across the curriculum
