

A message from Mrs Daly

Thank you to all the children, their families and the staff at Applegarth Academy for yet another wonderful week!

Next week we look forward to our annual parade around the estate! Our focus will be on friendships and memories and how we can commemorate these. All children will get an opportunity to write a special message to a friend or a loved one, attach it to a helium filled balloon and release it at the start of the parade. Following that, each class will create a chant or song and perform it (loudly!) around the local community. All of this will begin at 2pm and will be led by our Pupil Parliament. Please join us for this event and help us celebrate the power of memories and the impact of friendships.

Message from the Pupil Parliament

During the assemblies this week we have been focusing on the 'I' in #ASPIRE. The 'I' stands for independent learners, and here at Applegarth we are all aspiring to becoming independent in our learning across the curriculum. This means that we need to challenge ourselves and not always rely on partners and teachers – but to start thinking more independently and using our initiative in our learning. This will help us to learn and progress and teach us skills for everyday life in and outside of school.

Word of the Week

Ambience

The character and atmosphere of a place.

1. *The ambience at the party was positive and enjoyable.*
2. *The colourful working walls, collaborative learning and lots of resources created an enqaqiaq ambience in the classroom.*
