

Department for Education Vision for the Primary PE and Sport Premium

ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

The funding has been provided to ensure impact against the following **OBJECTIVE**:

- To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (*above*) that will live on well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following 5 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on your school website. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible.

Primary Physical Education and Sport Premium planning and actions should show how use of funding contributes to this vision through identified school priorities which can be measured through reference to key outcome indicators. It is important that the main drivers for improvement are those identified by the school through their self-review. Each school should aim to achieve the following objective:

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Academic Year: 2017 - 2018		Total fund allocated: £9695				
Primary PE & Sport Premium Key Outcome Indicator	School Focus/ planned <u>Impact on pupils</u>	Actions to Achieve	Planned Funding	Actual Funding	Evidence / Milestones	Actual Impact (following Review) <i>on pupils</i>
1. The engagement of all pupils in regular physical activity – kick starting healthy active lifestyles	Healthier life styles and more opportunities for pupils to experience a variety of activities	Swimming lessons for KS2 pupils	£2500	£0	Review of swimming provision at local leisure centre. Application made. Swimming commences	<u>End of Autumn Term:</u> Number of children attending extra-curricular clubs across KS1 and KS2 has remained consistent throughout term and registrations for sporting activities has increased. J & C coaching provided workshops for parents/carers on how to be active in small/confined spaces, parental feedback indicates pupils enjoyed these activities at home.
	Increased participation in extracurricular clubs, with a sporting focus	Termly audit of PE and playground stock	£1000	£1500	Audit completed and order placed	<u>End of Spring Term:</u> Number of children attending extracurricular clubs across KS1 and KS2 has remained consistent throughout term and registrations for sporting activities has increased. Dance specialist provided dance interventions for groups of children across year groups in preparation for forthcoming performance.
